THE METAPHYSICS OF RESISTANCE

A Clinical Protocol for Dismantling Spiritual Attacks Through Somatic Geometry and Sonic Frequencies.

THE GEOMETRY OF THE SPIRITUAL REALM

Root magick operates on a precise spatial map. Spiritual attacks breach the horizontal watery divide.

Dismantling these attacks requires manipulating physical geometry to force energy back across this threshold.

DIAGNOSING THE CROSSED CONDITION

A root doctor must first differentiate between the natural and the supernatural. A crossed condition is marked not by severity, but by unnatural suddenness and specific somatic weight.

Natural Illness & Misfortune	Spiritual Interference
Gradual onset	**Sudden and unnatural onset**
Logical progression of events	**Sensation of bricks in the legs (heavy physical weight)**
Systemic physical causes	**Extreme, uncharacteristic confusion**
Normal emotional fluctuations	**Sudden catastrophizing**
	Sudden onset of a death wish (Elijah/Jezebel metaphor)

THE THREE-STAGE UNCROSSING PROTOCOL

A spiritual attack cannot simply be ignored; it must be systematically dismantled. This requires aligning intent (The Word), physical geometry (The Body), and natural anchors (The Earth).

STAGE 1: CLEANSE

Removing the condition via downward energetic flow.

STAGE 2: BREAK

Neutralizing the spell via physical reversal.

STAGE 3: SHIELD

Preventing re-entry via vibrational and material warding.

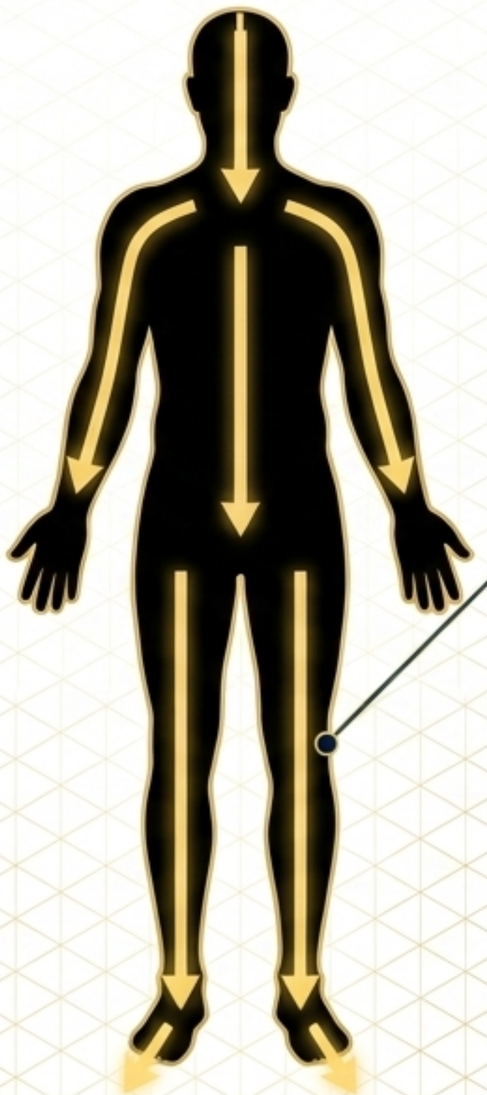
STAGE 1: THE KINEMATICS OF CLEANSING

To purge a crossed condition, energy must flow in the direction of removal. Downward bathing acts as a somatic mechanism to scrub the aura and push negative attachments into the earth.



Hyssop and Rue tea, poured downward 9 times.

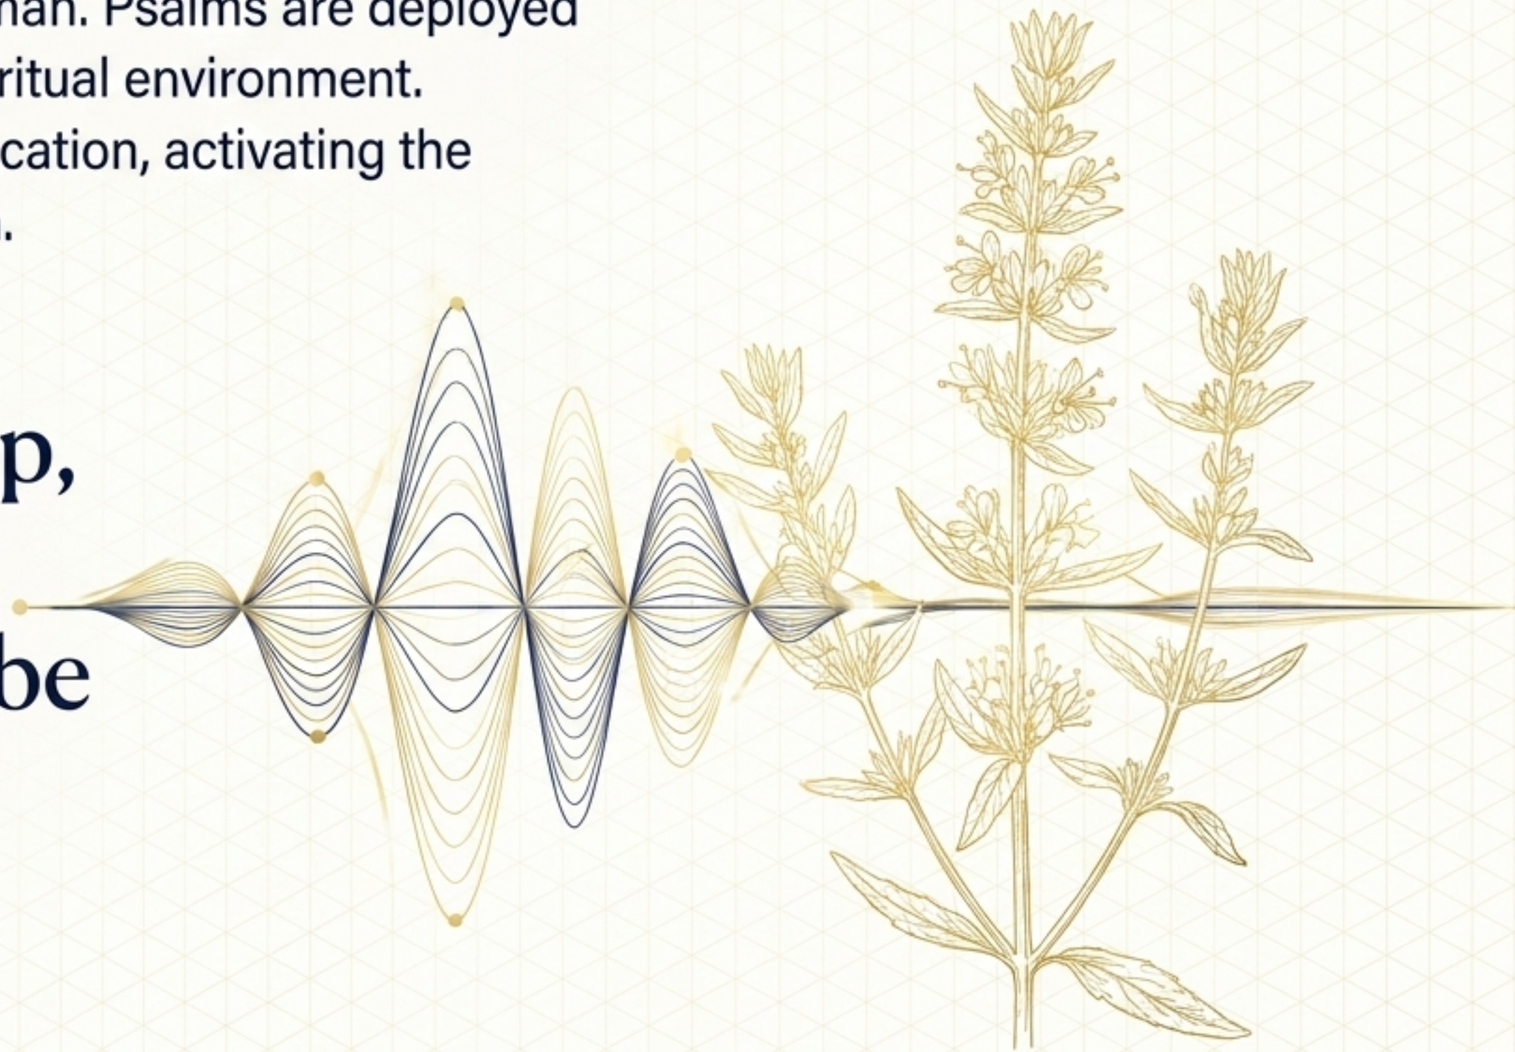
SONIC TECHNOLOGY: THE FREQUENCY OF PURGING

In Hoodoo, the Bible is a conjuring talisman. Psalms are deployed as sonic talismans to manipulate the spiritual environment. Psalm 51 vibrates at a frequency of purification, activating the botanical properties of the Hyssop wash.



> “Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow.”
>
> Psalm 51:7

STAGE 2: SOMATIC MECHANICS OF REVERSAL

Breaking a hex requires the physical **geometry of return**. Moving backward and pushing materials away from the body **severs** the **energetic tie** and initiates the homing principle, sending the malice back to its **origin**.

GENERATING THE SPIRITUAL VORTEX

Shuffling the feet without lifting them creates static connection to the earth. Moving counter-clockwise mirrors the sun's path of death and rebirth, building a spiritual vortex at the center of the ring to channel ancestor intervention.

STAGE 3: THE VIBRATIONAL SHIELD

Once cleared, the aura must be sealed. The spoken word acts as a physical barrier. Reciting Psalms 91 and 121 projects an acoustic shield that neutralizes incoming hostile energy.

THE PSALM ARSENAL (VIBRATIONAL MATERIA MEDICA)

Psalm	Intent	Recitation Mechanic	Metaphysical Effect
Psalm 51	Cleansing	Spoken while pouring water downward 9 times	Purges the aura of attached entities.
Psalm 37	Fear / Paranoia	Bible left open facing East for 3 days	Dissipates the psychological dread of an attack.
Psalm 23	Peace	Spoken over a blue candle with Peaceful Home oil	Guards domestic harmony.
Psalm 91	Shielding	Spoken while preparing a Mojo bag	Creates the Feathered Cover of divine protection.
Psalm 121	Warding	Spoken while laying red brick dust	Seals thresholds (going out and coming in).

THE ARCHITECTURE OF SPIRITUAL SOVEREIGNTY

A root attack cannot be undone by a single element. Absolute spiritual sovereignty requires the precise, simultaneous alignment of Vibrational Frequency, Physical Geometry, and Natural Anchors.

THE PATHWAY IS CLEARED

Hoodoo is a tradition of profound resistance and resilience. By mastering the somatic mechanics and sonic frequencies of rootwork, you do not just survuvive the attack—you reclaim the authority to chart your own pathway.
